MRE YOU M GIRLFREND OR & WIFE? Listen Up! To get My Life you need to come and spend time with Me and I do not mean do a 5-minute prayer and then run out the door. I want us to build a relationship but not any type of relationship. I want a marriage. What I want is for you to be My Wife in everything that you do in life.

certain things not that she can't make her own choices but she asks him not out of fear but as an act of respect. I want you to come to Me on everything ask Me permission before you do anything. Do Not just make any decision on your own without talking to Me first about it. That is what I want for My Body is that they will all Come to Me and ask Me what they should do in every area of their life. That is how a wife is to act but instead My Body is acting like a girlfriend.

Here is what I mean. When you are a girlfriend, you make your own choices and do what you want you are not subject to no one you have not submitted to anyone. When you become a wife, you are to submit to your husband but My Body has not cast off the spirit of being a girlfriend they want all of the benefits of a wife but they don't want to act like a wife.
