BORN OF MY SPIRIT Those who are truly born of My Spirit are the ones who hear from Me. For you have heard that the ones who have the Baptism of the Spirit the evidence of it is that they speak in tongues. Well, that is what man said but did I say it? Man has said a bunch of nonsense that is not from Me they have been spewing lies for so many years.

For the ones who truly have My Spirit will truly have a "New Life" in Me. They will not do the things that they once did in the flesh there will truly be a change in their life. To truly be born of My Spirit is to come to Me daily and allow Me to fill you up in Me. Allow Me to fill your cup up. Allow Me to renew you every morning. What I desire the most is for "My Body" to truly hear from Me and what you hear obey. It isn't enough to just hear but I want obedience from those that say that they are truly Mine.

For the true evidence that you are Mine that you have My Spirit is that you hear from Me, you obey Me, and you are walking in the "Newness of Life" that I have given you. You are walking in My Spirit being led by My Spirit. The ones that allow My Spirit to dictate their lives are the true sons and daughters of God. The true ones are going to be so close to the Father that they will be sinless. Now tell that to the church-world and they will want to stone you for "they say" that all are sinners but what I say is that yes all are

sinners in "the flesh" that no one is good in the flesh. Now what I said is to be led by My Spirit and you will not fulfill the lusts of the flesh. So now if you are being led by My Spirit then that means that you are not walking in the flesh therefore you are not a sinner but you are the righteousness of God in Christ Jesus. So how can you be the righteousness of God if you are a sinner? The answer is you can't for no flesh shall glory in the "Presence of the Father" the only way for you to be the righteousness of God is in Him. That is the only way for

you to live a sin free life is get in him get in Jesus and do things His way for His way is the only way that you can live a life free from sin. Just how Jesus lived a sin free life so can you as long as you stay connected to Me for I'm the Heart of My Spirit. I pump the blood to the Body for without Me there is no life only death for I am the "Life Giving Spirit".
